2011 Recap

Thank you for making 2011 a successful year for YOUR Club. This year we crowned Rick Cummins as our new Senior Club Champion, while Brendon Wilson and Sue Lelievre defended their titles to remain our respective Club Champions. Our Member-Guest had another successful year, thanks to you, with 100 teams, which equaled 10 Flights and a party Friday Night. What a wonderful weekend for golf and fun. Congratulations to all of our Flight Winners. The Gilbert Cup was another successful weekend with Wes Gilbert leading Team Yellow to a win this year. The surprising thing about this year's Gilbert Cup was that it took a mere 15 minutes to fill the field on a Saturday morning in July. WOW!

Let's not forget the great times we had with Friday Night Couples, Member-Member, Par 3 Bonanza and the Member-Member/Member-Guest. We can't thank you enough for your support with these great tournaments. As a staff, we try to offer great tournaments with each tournament being different but fun! I hope we succeeded.

Ladies, this year we have seen many more of you out playing, even though not necessarily as part of the Ladies League. The Ladies Clinic we hosted had a wonderful turnout with great times during our five weeks together. Matt and I can't thank you enough for allowing us to teach you this great game of golf. Remember what we said, "It's an easy game," and "Don't listen to husbands when it comes to teaching golf."

What 2011 did show us as a staff was how much you really do LOVE WindStone and YOUR Club! When the Club Committee set out to raise money to buy fans for the greens this fall, we really weren't sure what to expect. The goal was to raise \$20,000 which would allow us to buy two fans per green to help get through the heat of the summer. After running this fundraiser for a month, you as a membership raised \$18,000! I know I say this a lot during the year, but this member-

ship does make this the #1 Club in town. Thank you for making our jobs enjoyable! You are the best!

Happy New Year and see you for another exciting year in 2012.

Sincerely and with great pride
Your PGA Head Golf Professional
Jeff Craig, PGA
